

**PRESIDENT’S UPDATE –November 2017**

Thanksgiving marks the start of the holiday season for 2017. Sleigh bells are starting to ring, Christmas trees are being decorated and lit up everywhere and holiday lights are illuminating the areas all over. And quite a few ski resorts are now open. Mammoth is reporting over 8 feet of snow have been received to date. Steamboat started out with a big white bang and has slowed down but since Crescent will be arriving there this weekend, we fully expect that Mother Nature will welcome the Council with a lot of the fluffy white stuff. Close to 300 ski and snowboard enthusiasts will be ready for lots of fresh white powdery snow!!

Also, reminder that Michelle Shuford, Conventions Chair, and Margaret Crum, Lodging Coordinator, work together on the Convention. Club Registration Forms should be sent to Margaret. **CRESCENT TRIPS (Lisa Beregi)**

Hope you all had a Happy Thanksgiving and have fun to all those headed to Steamboat this weekend.

**Mammoth** - reservations have been put on wait list until the last master bedrooms are sold. We can accommodate couples, singles willing to share a king bed or singles willing to pay for a single supplement to get the master suite.

**Killington** - although numbers are low, the trip will go!!! SAT is currently working to see if there will be any lodging increase with the low numbers, or if we can adjust the activities so that the price stays the same. More to come through your trip leaders soon.

Registration for all Crescent trips is at [www.sportsamerica.com/csctrips](http://www.sportsamerica.com/csctrips). Any questions with regard to Mammoth or Killington, contact Lisa Beregi, Crescent Trip Chair, at [drlab88@aol.com](mailto:drlab88@aol.com), your Club's Trip Leader or Sara Clemons at Sports America at [sara@sportsamerica.com](mailto:sara@sportsamerica.com).

Any questions regarding Crescent trips, contact **Lisa Beregi, Crescent Trip Chair**, at [drlab88@aol.com](mailto:drlab88@aol.com)

**LOCAL TRIPS (Linda Redd)**

**Local Trips** - This year there are two weekend trips to West Virginia that are open to all CSC skiers. They are race weekends to Canaan Valley, January 26-28, 2018 and SilverCreek, March 8-11, 2018. You do not have to be a racer to take advantage of the lodging/lift package at SilverCreek or the discounts at Canaan Valley. Trip specifics will be sent to your trip and racing officers.

It is time to start planning the 2018 Silvercreek race weekend. Linda is trying to make her life a little easier, by making some basic rules and sticking to them. The forms are attached to this month's President's Update.

**Rules for 2018 SilverCreek trip:**

Each club needs one contact person/trip leader. That will be the person Linda talks to. She will refer every question that she gets to the Club Trip leader. Let Linda know name, address, phone number and e-mail of that person for each club, as soon as possible. That information is included on the club confirmation form.

Linda will try to be clearer about costs, rules, etc. in my communications to trip leaders and will also try to answer questions in a timely manner.

Deadlines are important, but we realize that they are hard to keep, given the long lead times that Snowshoe imposes on us. If you miss room reservation deadlines, Linda will try to get more rooms. **If Crescent has to pay for cancelled rooms, your club will be charged.** Conservative is probably better, when estimating room needs.

That's all for now. Let's all hope that we actually get some snow this year and that we can see each other at Silvercreek.

### **RACING (Ron Scott)**

The 2017/2018 Racing Newsletter Credit Sheets have been e-mailed to each Club Race Director. Printing instructions were included as an attachment in the e-mail. If your Club no longer prints a paper newsletter, please post the sponsorship logos on your web site. When your Club broadcasts a monthly e-blast, please include one of the newsletter sheets, of which there are four. As you have done in the past, please include Ron Scott ([rscott013@nc.rr.com](mailto:rscott013@nc.rr.com)) in your e-blast mailings and your hard-copy newsletter mailings. Ron will forward your e-blast and newsletters to Crescent Racing sponsors. Posting the logos on your club's web site is voluntary for the clubs but greatly appreciated. However, **posting the Sponsorship Sheets that were sent out to the Race Directors is a requirement under Crescent Racing Rules.**

**The CSC Racing Friday Night Gate Practice before our first scheduled race of the 2017/18 season at Appalachian, Friday, 12.15.2017**, is still “on” at this moment, but it is always contingent on conditions being suitable (and a lot more snow base is required for racing than for regular skiing!). Watch for a future announcement about the status of practice/CSC Races #1. Both will either be on, or not. It will not be either/or. In case everything is still on, we have a new feature for 2017-2018: The Asheville Ski Club Racing Team will set up brushes on the slope at the lower mid-station (conditions permitting), beginning at 5 PM (that’s when our special discounted lift ticket starts). Regular gates will be available to run on the race course by 8 PM. Everything else is still the same: At the French-Swiss desk in the lower lodge, 1) Get your discounted lift ticket; 2) If you intend to run the brushes or gates, then a) pay the racing fee; b) sign the waiver; c) get a bib; 3) Wear the bib when running brushes/gates; 4) You do not need to wear a bib if all you are doing is skiing and NOT running brushes/gates; 5) Non-racers who are current members of W-SSOC or other Authorized Club of the Crescent Ski Council, can purchase the discounted lift tickets, too, and may try running brushes/gates if they do #2) a), b) and c) and 3) as outlined here.

Crescent Racing is for the young and old. We welcome everyone, even snowboarders! If you have a question concerning the Crescent Race Series please contact Ron Scott, Crescent Race Director, at [rscott013@nc.rr.com](mailto:rscott013@nc.rr.com). Crescent Racing is the type of racing program the other ski councils wish they had.

Enjoy the up-coming holidays and remember our soldiers and those less fortunate than each of us.
